Received and published: 26 February 2014

Dear Editor

We are very grateful for having encouraged the paper. The suggestions proposed have been very appropriate and useful for improving the paper. They allow an important improvement of work both in contents and in its presentation. An important modification, in fact, consists in the new paper organization in order to keep and better indicate required explanation.

Both major revisions; and minor comments have been all respected and accepted.

Since the paper has been reorganized, On behalf of my co-author, I'm sending the new
