

Editor Decision: Publish subject to minor revisions (Editor review) (14 Oct 2015) by

Prof. Günter Blöschl

Comments to the Author:

Dear authors

thanks for the changes. There are still embarrassing typos in Fig. 3. This should read "annum", i.e. double n.

Please correct and resubmit.

Best wishes

Günter Blöschl

Dear Mr. Blöschl,

that was really embarrassing, sorry for that. Fig. 3 should now be without typos.

Best regards

Oliver Böhm
