## ***Interactive comment on “Diagnostic calibration of a hydrological model in an alpine area” by Z. He et al.***

**M. Zappa (Referee)**

massimiliano.zappa@wsl.ch

Received and published: 20 March 2014

Dear authors,

the first sentence of my review should read:

"I have read this manuscript and find in many aspects sound but in some aspects rather poor. I really think that this manuscript was NOT YET ready for HESSD in the form it has been submitted and will therefore request major revisions for it."

Sorry for the version I uploaded before.
