

Interactive comment on “Spatial and temporal variability of rainfall in the Nile Basin” by C. Onyutha and P. Willems

Anonymous Referee #2

Received and published: 3 January 2015

Tables and Figures

I suggest to homogenize captions of Tables 4 and 5, as well as captions of Figures 5 and 6. Figure 7.

Charts 7.g and 7.h are not commented in the text. Furthermore, charts 7.d and 7.h are apparently referred to the same station (Helwain), but the corresponding time series are different. Please check!
