

Review HESS-2015-69

Dear Editor of Hydrology and Earth System Sciences

Dr. Frans van Geer

We really appreciate that you considers to publish our manuscript in this prestigious journal.

We made all the suggested revisions. As consequence, you will find:

- 1) A new version of the manuscript with changes in lines 438, acknowledgements section and table 3 caption.
- 2) The corrected versions of figures 1, 2, 3 and 4.

Looking forward to your response, kind regards

Guillermo Goyenola
