Dear Reviewer,

Please find below, the answers to the questions and comments you submitted. We found the comments very valuable in pointing out the corrections needed to improve the manuscript.

We would like to thank you for taking time to read and suggest modifications to the paper which have helped us to improve the manuscript.

We hope the answers we have provided will give more detail and clarify any ambiguous
C2292

areas in the manuscript.

Thank you.

Sincerely yours, Zahrah Musa (On behalf of all the authors)

Please also note the supplement to this comment:
