Interactive comment on “Understanding and managing a complex estuary: the process towards more congruence between the physical system characteristics and the management system of the Westerschelde (Netherlands)” by A. van Buuren and L. Gerrits

A. van Buuren and L. Gerrits

Received and published: 11 February 2009

Following the reviewers’ suggestion to ask a specialist on morphology to review our manuscript we would like to ask for some more time to finish the manuscript.
