

Interactive comment on “Bayesian discharge rating curves based on B-spline smoothing functions” by K. M. Ingimarsson et al.

K. M. Ingimarsson et al.

birgirhr@hi.is

Received and published: 12 July 2010

To the staff of HESS, the two anonymous referees and other reader,

Me and my co-authors have decided not to re-submit our manuscript to HESS this time.

We would like to thank the staff of HESS for assessing and handling the submitted manuscript and the two anonymous referees for their comments.

Best regards,

Birgir Hrafnkelsson
