First, we would like to thank the reviewer for his/her positive comments. Appropriate changes have been made following each one of the reviewer's comments/suggestions. In the following, detailed and justified responses are given.

Answer to Comments:

These are very minor: typo 1: Table 3, caption. Include a white space between G' and '(top line)' typo 2: References (2698, L 16): replace the '.' after Col by a ','

Thanks to this referee comment these typing mistakes have been corrected in the new version of the manuscript.
