

Interactive comment on “Auto-control of pumping operations in sewerage systems by rule-based fuzzy neural networks” by Y.-M. Chiang et al.

A. Montanari (Editor)

alberto.montanari@unibo.it

Received and published: 22 November 2010

I included an extensive assessment of the paper in a referee comment that I posted above. The paper has now reached a sufficient number of referees. I believe a major revision is needed. Therefore would like to invite the authors to submit a revised version for possible publication on HESS.

With my best regards, Alberto Montanari - Editor HESS
