Received and published: 15 December 2010

Dear Prof. Wagner, First, we want to thank the reviewers and editor for their very constructive remarks. We thought they highly help us to seriously improve the paper. We have followed their suggestions and take into account most of their comments (answers to reviewers follow). This leads to an almost complete revision of the paper.

We send injoined the answer to questions and comments of reviewers and a new version of the proposed paper (in supplement document) and files of 2 figures, added to the paper.

Kind regards Mehrez Zribi
