Hydrology and Earth System Sciences Discussions

Interactive comment on "Multi-scale estimation of surface moisture in a semi-arid region using ENVISAT ASAR radar data" *by* M. Zribi et al.

M. Zribi et al.

mehrez.zribi@ird.fr

Received and published: 16 December 2010

First, we want to thank the reviewers and editor for their very constructive remarks. We thought they highly help us to seriously improve the paper. We have followed their suggestions and take into account most of their comments (answers to reviewers follow). This leads to an almost complete revision of the paper. We send injoined a file with answer to reviewers and a new version of the modified paper. We send also two figures added to the paper. Kind regards Mehrez Zribi

Please also note the supplement to this comment:
