Received and published: 25 January 2011

Dear Editor, dear Referees,

Thank you for the thought- and useful feedback to our proposed paper. In the attached file, we will reply to all of your comments. As most comments were best answered by direct modifications of the paper, we have (at the end of the attached file) included a revised version of the paper. All modifications are marked in green, and in the response to each comment we will refer to the related modification in the paper. Please note that we have not included the figures, as they remained unchanged.

Yours sincerely,

C4820

Uwe Ehret, Erwin Zehe
