Received and published: 21 August 2011

This is a correction to our response to your comment 5).

“5) Page 3978, Lines 4-18: None of these points has been mentioned during the simulation results presented in the previous sections. This paragraph seems to be out-of-context. I suggest removing this paragraph.”

Our last response was made for a wrong point. As for this comment, we would like to follow your suggestion and remove this paragraph in the revised manuscript.
