

***Interactive comment on “Hydrochemical variability
at the Upper Paraguay Basin and Pantanal
wetland” by A. T. Rezende Filho et al.***

Anonymous Referee #1

Received and published: 8 May 2012

The Editor suggests that the authors check the standard of English throughout the manuscript as some scientific meaning is lost due to poor English.

Interactive comment on Hydrol. Earth Syst. Sci. Discuss., 9, 3129, 2012.
