

Interactive comment on “A flood episode in Northern Italy: multi-model and single-model mesoscale meteorological ensembles for hydrological predictions” by S. Davolio et al.

S. Davolio et al.

s.davolio@isac.cnr.it

Received and published: 14 February 2013

We are preparing a revised version of the manuscript. We believe that it can be very useful for supporting and better explaining our responses to the Referees. We will upload the manuscript as soon as possible next week.

Your sincerely, Silvio Davolio
