

Interactive comment on “A seawater desalination scheme for global hydrological models” by Naota Hanasaki et al.

Naota Hanasaki et al.

hanasaki@nies.go.jp

Received and published: 21 June 2016

Dear Editor,

The authors are grateful to you for taking time to handle our manuscript. We have received comments from two anonymous referees and Dr. Yaling Liu which were quite helpful to improve our paper. We have addressed all the comments and concerns as shown in the response to each. The manuscript has been thoroughly revised accordingly and ready to be submitted for possible consideration of another round of review.

Kind regards,

Naota Hanasaki

(on behalf of authors)
