Dear Editor of Hydrology and Earth System Sciences,

On behalf of all co-authors, I would like to thank you very much for the review of our Manuscript (hess-2017-184-RC1), entitled “Impacts of changes in groundwater recharge on the isotopic composition and geochemistry of seasonally ice-covered lakes: insights for sustainable management”. Thank you for considering this revision and hoping you will find it suitable for publication in Hydrology and Earth System Sci-

C1

ences. The responses to the comments have been sent to both reviewers and the Manuscript, revised according to their comments, is attached.

Thank you,

Sincerely,

Marie Arnoux
