

Dear Editor and authors,

The authors made an appreciated improvement. Many thanks. I only have few editorial comments and recommend this manuscript for publication in HESS.

Editorial comments

Page 1 line 13: localizes?

Page 2 lines 17-18: Please check this sentence

Page 2 line 32: remove “a”

Page 3 line 4: suggest to replace “dominated” with “constrained”

Page 4 line 31: test cases?

Page 8 lines 6-7: please check “this procedure and geometric allows”

Page 8 line 8: replace “work either” with “either work”
