

SUPPLEMENT 4:

This supplement shows the locations
of the observed and instrumented
check dams.

Fig S4.1 Check dam locations -

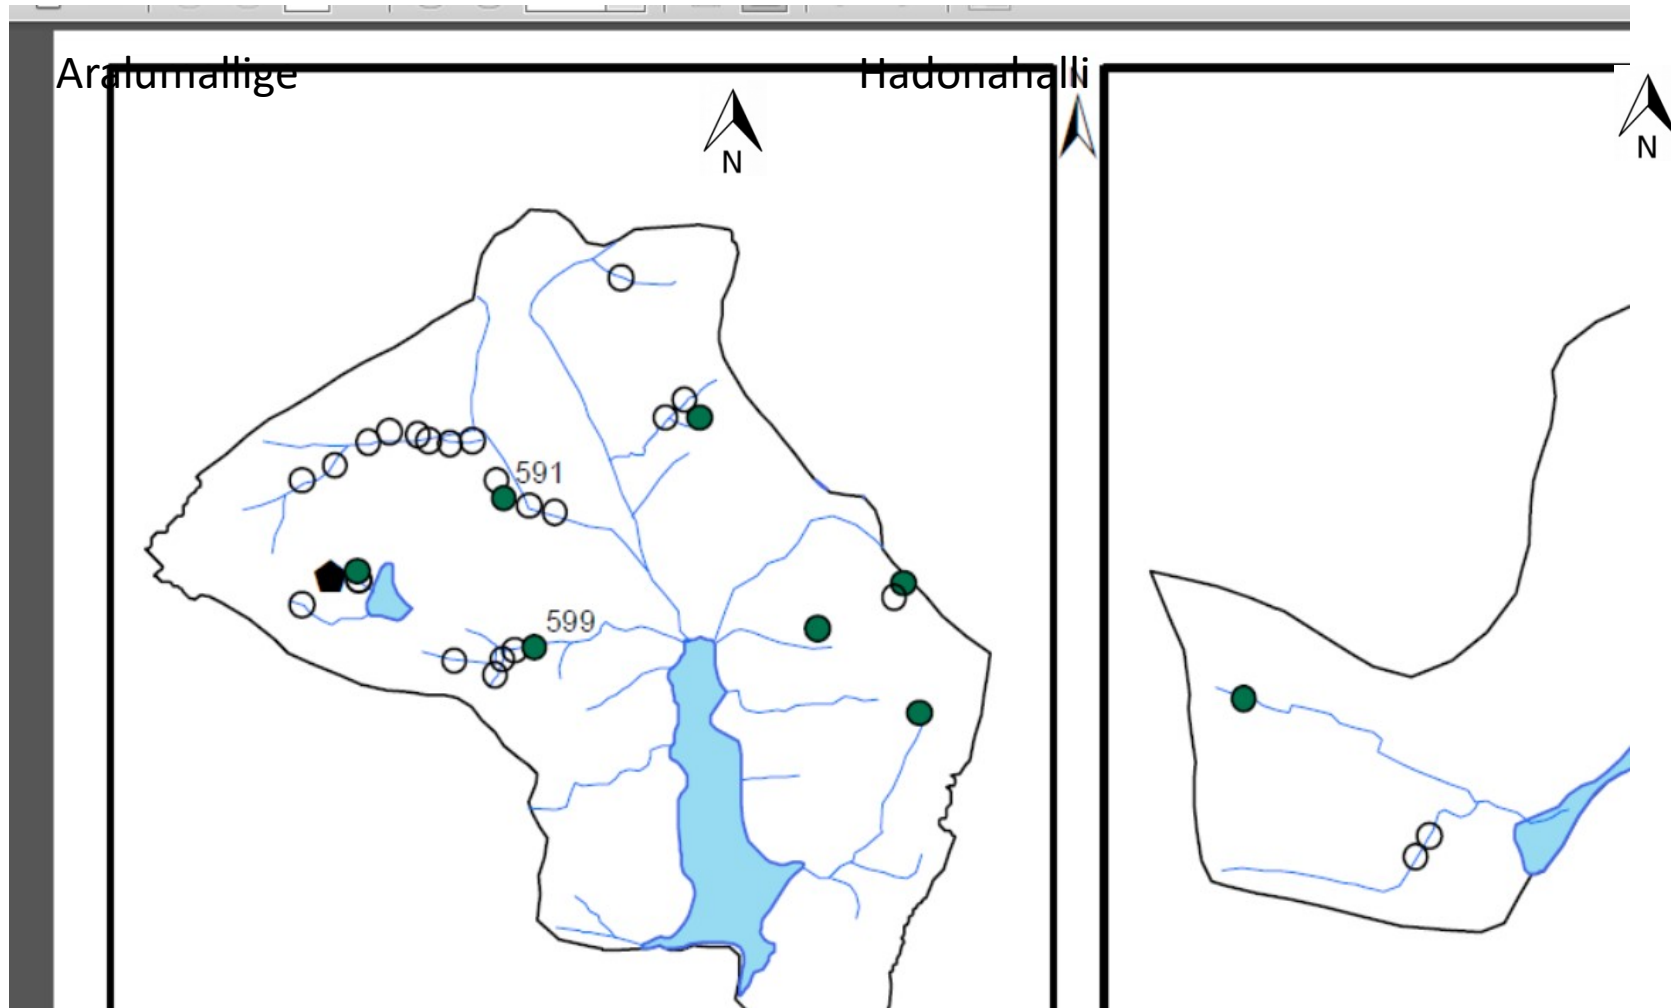

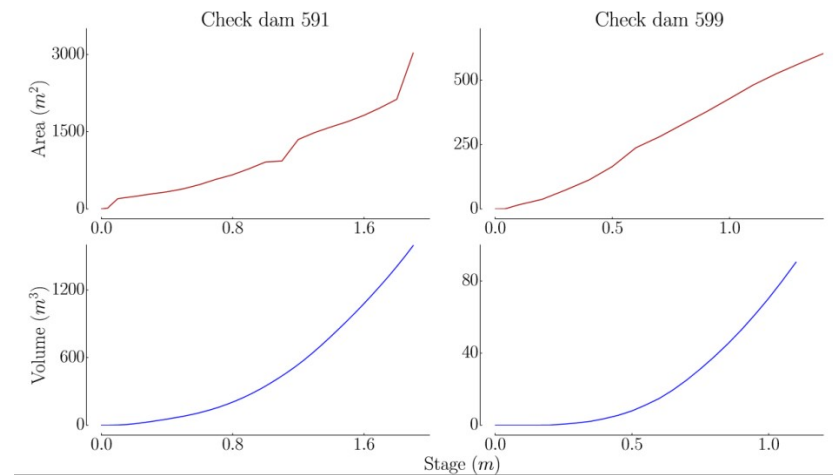

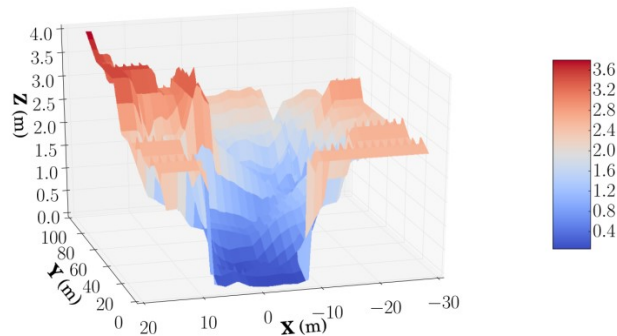

Fig S4.2 Check dam Picture

Fig S4.3 Bathymetry of check dams

Check dam bathymetry was done using a simple dumpy instrument to obtain stage-area and stage-volume relationships.

Fig S 4.4: Check Dam Survey

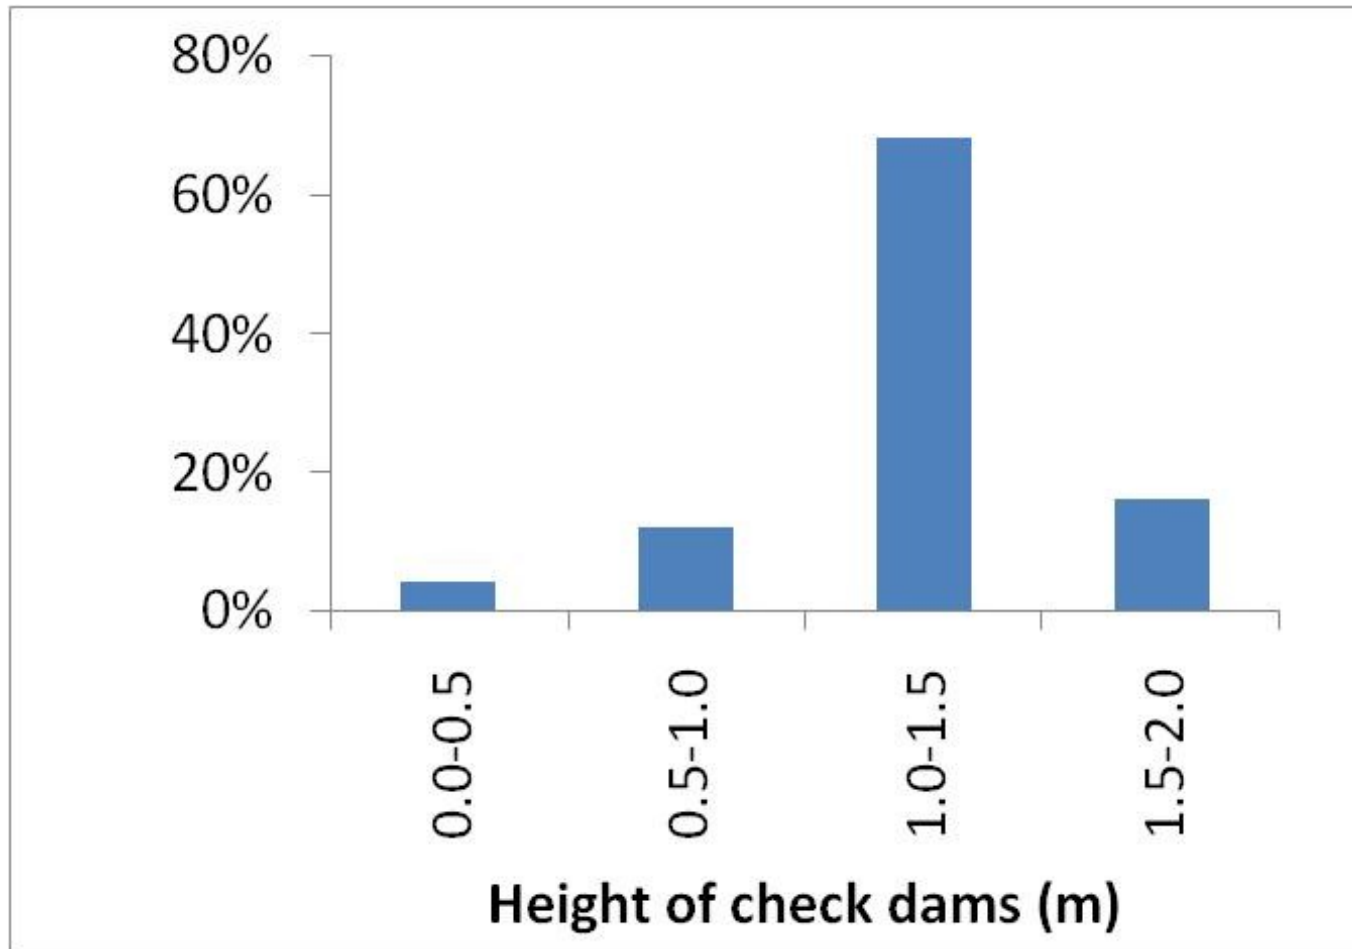

Fig S4.5 Farm bund picture

Most cropped plots have farm bunds to capture rainwater.

Eucalyptus plantations usually dont.

Fig S4.6 More farm bund pictures
