

Interactive comment on “Opinion paper: Linking Darcy’s equation to the linear reservoir” by Hubert H. G. Savenije

W.R Berghuijs

wouter.berghuijs@usys.ethz.ch

Received and published: 10 October 2017

I thank Prof. Savenije for so quickly providing these answers and clarifying some of my misunderstandings of this work. Given the complex nature of the addressed question, several unknowns (will always) remain to exist. However, the provided answers are overall satisfactory to me. Well done!
