Editor's comment:

L 250: Takgy --> Takagi

Lines 256, 284, 302: "can be seen" -- better to say "can be found"

- Thank you and I agree with you. I change them in manuscript.

When submitting, please ensure the new version of the title is specified. Spatial Prediction of Groundwater Spring Potential Mapping Based on Adaptive Neuro-Fuzzy Inference System and Metaheuristic Optimization (so that there is no "I" in the middle)

- I am so sorry. I eliminate "I".
