Dear Dr. Han. Thank you very much for your thoughtful and helpful review of the manuscript titled "Spatiotemporal Patterns and Trends of Precipitation and Its Correlations with Related Meteorological Factors by Two Sets of Reanalysis Data in China" by Huang et al. The authors have submitted their revised manuscript and I kindly ask that you please review this latest version, since you agreed to do so before the article is formally published. Please ensure all edits are to your satisfaction, or provide one final set of suggested edits. Thank you for your time and effort with this.
