Received and published: 26 July 2018

Dear Nadav Peleg (Reviewer #1),

Thank you for your detailed comments and suggestions about our manuscript.

Please find our responses to your remarks in the attached file. This file starts with an introductory section which is common for both reviews, and then we reply in details to your specific comments.

Hoping that our responses answer your concerns, and that our propositions of improvements will fulfil your expectations,

Best regards,

C1

Lionel Benoit, Mathieu Vrac and Gregoire Mariethoz.
