Received and published: 3 December 2018

Dear reviewer,

we thank you very much for taking the time and making the effort to review this manuscript. Your feedback was highly constructive and we have tried to incorporate your suggestions to our best knowledge. Attached you can find a zip-file containing a) our responses to your comments, b) a revised version of the manuscript and c) a file showing all the changes made after the initial submission version.

Kind regards, Felix Zaussinger on behalf of the co-authors
