Dear Dr Genevieve Ali,

thank you very much for your comments to our submission hess-2018-445 "Perspectives and ambitions of interdisciplinary connectivity researchers". We are pleased to hear you consider the manuscript of broad interest for scientist, "targeting the advancement of science – especially interdisciplinary science – through self-awareness and the acknowledgement of communication issues", and recommended it for publication. We are thankful for your comments and questions which helped us to improve the manuscript. We have accepted all your comments and changed the manuscript accordingly. Please find our response in the attached file: hess-2018-445-supplement.pdf

The suggestion made by you (RC1), are indicated with corresponding changes. The version of manuscript following the Table 1, changes proposed by you and the second reviewer. Thank you in advance for consideration of revised version of the submission HESS 2018-445. We wish you lot of success in your research

On behalf of the author team Anna Smetanova
