

***Interactive comment on* “The influence of long-term changes in canopy structure on rainfall interception loss: a case study in Speulderbos, the Netherlands” by César Cisneros Vaca et al.**

N. Ursino (Editor)

nadia.ursino@unipd.it

Received and published: 12 June 2018

I would kindly solicitate the Reviewers and in particular Anonymous Referee #2, to express in form of open discussion their appreciation for the suggested changes reported by Vaca et al. in their reply to Reviewers' comments. Did the Authors address all your concerns? Nadia Ursino
