Dear Editor, We appreciate the efforts the reviewer has invested in our manuscript, which resulted in a set of revisions. Please find attached a pdf file with the answers to the reviewer's comments in red, to distinguish them from the reviewer comments.

If required the revised manuscript with the changes marked in red can be send for your kind consideration.

We are grateful to the reviewer for providing stimulating comments and advices to improve the initial version of the manuscript.

Yours Sincerely

François Chabaux, for the authors University of Strasbourg UMR CNRS 7517 – LhyGeS 1, rue Blessig 67000 Strasbourg – France
