Dear Prof. Geoff Pegram,

We would like to thank you for the kind words in support of our manuscript and for the time spent reviewing our text. We appreciated the recognition of our paper contribution to alert authorities in Sao Paulo. Thank you for the suggestions, it was valuable for improving our manuscript. We proofread and corrected the manuscript as recommended the reviewer (page 1, line 9) (page 2, lines 1- 11) (page 3, line 11) (page 5, lines 4-12) (page 6, lines 11-26) (page 7, line 18) (page 9, line 26)(page 10, lines 4-26) (page 11, line 15), omitted the abbreviation (page 5, line 31), and rearranged the sentence (page

5, line 26).

Please find the revised manuscript attached as supplement.

Again, thank you for your helpful review.
