

We have made all the corrections to figures as requested below.

Technical corrections

Figure 1 - please add coordinates and/or scale bar. In addition, please add a caption to the legend.

Figure 2 - here also (and in the other figures), please add a caption to the legend.

Figure 8 - please label the axes and add a legend to the symbol colours.

Figure 9 - text is too small, can you increase the font size? same for figure 10.
