Received and published: 26 October 2019

The short comment submitted by Xudong Chen (email: chenxudong198401@163.com) published on 4 October 2019 is inappropriate, as authors are not supposed to make "Short Comments". Authors should use the "Author Comment" option if they want to contribute a comment. It is disturbing that in this short comment Xudong Chen did not disclose co-authorship of the paper this comment addresses.
