Received and published: 19 June 2020

Dear Authors, Your original submission received interesting comments from the selected reviewers. There still is some time before the closure of the discussion, and I am wondering whether you can post some short and very direct replies on key comments, so as to stimulate perhaps some additional and useful comments from our reviewers.

Interactive comment on Hydrol. Earth Syst. Sci. Discuss., <https://doi.org/10.5194/hess-2020-148>, 2020.
