Many thanks for the suggestions, corrections have been made.

1. Line 726 p. 24: "it is baed". **DONE**
2. Line 774 p. 25: the sentence seems truncated, could you please give a hint about its calculation (e.g. "it is function of...")? **DONE**
3. Line 907 p.30. if you are referring to the figures 1,2,3, then it's "maps" **DONE**
4. Please note that the figures should be recalled in ascending order, please rename figures where necessary. **DONE**
