Response: Thank you for your letter and for the decision (Publish subject to technical corrections) concerning our manuscript (ID: hess-2020-412).

We are so sorry for the inappropriate revision. We have revised the two words in L729, 730. also, we use white text in panel (b), and “Summary” was replaced with “6 Conclusions”. Thank you very much. After several revisions according to the valuable comments from editor and reviewers, our manuscript has been improved obviously. Thanks a lot!
