

## Response to editor's decision

Editor

Comments to the Author:

Dear Authors,

Thank you very much for your revised manuscript version. It has improved a lot and you have replied to the reviewer's comment in great detail.

I would suggest one last change to be made: Could you please replace the bright green color in all the figures (e.g. for the left panels of the figure on p.16)?

Some figures (and their legends) are a bit small, please pay attention to this during the article's post-processing.

Best regards,

Natalie Orłowski
