## Minor revision HESS-2021-402

Dear Dr Teuling,

we would like to thank you and the reviewers again for the comments,  
which helped to increase the overall quality of the manuscript.

Please find the newly uploaded revised manuscript, incorporating the last  
referees' suggestion to include the main findings of Figure 7 and A4 into the  
abstract and conclusions.

Also, we updated Figure A4 to a colorblindless friendly version.

Kind regards,

Friedrich Boeing
