Dear Editor,

We would like to submit the revised version of our paper “Hydrological modeling using the SWAT Model in urban and peri-urban environments: The case of Kifissos experimental sub-basin (Athens, Greece)” by Evgenia Koltsida, Nikos Mamassis, and Andreas Kallioras.

We would also like to thank the referees for their time spent and effort on reviewing our manuscript. We appreciate their valuable comments and suggestions, which helped us in improving the quality of the manuscript.

We confirm that this manuscript has not been published elsewhere and is not under consideration by another journal. The authors have no conflicts of interest to disclose and have all approved this submission.

Thank you for your time and consideration.

Sincerely,

Evgenia Koltsida, M.Sc.
