

Comments to the author:

Dear authors,

Thank you for your revised manuscript. I am pleased to accept your paper for publication subject to a minor correction.

L383-384: of locations with significant trends occur at a regional scale to make it field significant or not. It is unclear what you mean by 'field significant'? Do you mean regionally significant?

Sincerely,

Yi He, HESS Editor

Author Response:

Dear Editor,

Thanks for your question. We have updated the text 'field significant' to regionally significant in L383-384 and a few other places in the manuscript. Please see the track change version for details.

Kind Regards
