

Author's response of Merk et al. (Hess-2024-131)

A point-by-point response to the second Revision

Point-by-point replay on Revision #2

Dear Editor and Reviewers,

On behalf of all authors, I want to thank you again for your comprehensive feedback on our work. Your remarks are valuable for the publication. The minor revision you suggested is the improvement of the English language in the manuscript. We handed our manuscript to a proofreading service at Technical University of Munich

(https://www.gs.tum.de/fileadmin/w00bik/www/Attachments/Information_fuer_Promovierende/PDFs/20200505_Merkblatt_Lektoratsservice_barrierefrei.pdf last accessed: 10/24/2024).

The English language has been reviewed and improvements are made. The latest submission is proofread and, thus, it will improve its relevance for the community.

With kind regards
Fabian Merk
